

## Proctoring Agreement for A-G Coursework

To be signed by the Student's Learning Coach

**HST's please file this signed form in Pathways by the end of LP1.**

**Student Name:** \_\_\_\_\_ **Student SSID:** \_\_\_\_\_

Per UCOP, major assessments (i.e., unit tests, final exams) for UC approved courses shall be proctored. An approved proctor is an educational partner, such as the parent, guardian, tutor, learning coach, vendor instructor, or HST. One signed agreement is necessary per student per school year; an agreement is not needed per course. All highschool students are completing UC approved A-G core courses (history, English, math, science, some world language and VAPA). Therefore, all high school students, no matter the curriculum used for learning, will have this signed agreement on file in Pathways.

The learning coach will verify their student's major assessments are proctored by an educational partner. The learning coach is the person who signed the master agreement (MA) and is the person responsible for knowing their student has been supervised during the time they are completing their major assessments required of the course. The learning coach will verify that the student was held to academic integrity and accessed only approved notes, information, and other resources during the time in their exam.

By signing this agreement, you are confirming that your student's major assessments are proctored by an educational partner.
